Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to transfer the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

The Soldier Settlement Board

OTTAWA - th July, 1921.

THE HONOURABLE CHARLES STEWART,
Minister of the Interior,
O t t a w a .

SIR:

Request for Transfer of Dominion Lands.

re: Louis Galvin No. 202073
N.½ of 23-14-3 W.4th M. - Sask.

The above named settler secured advances from the Board totalling $2900., the Board taking a charge upon his unpatented homestead above described. Owing to such charge, patent to the homestead cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Galvin, requesting that patent to his homestead should be issued in favour of the Board. Mr. Galvin states that he has completed all duties in connection with his homestead and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the Memorandum from the Dominion Lands Branch, to the Board dated the 5th instant, copy of which is attached hereto.

In order to enable a settler to negotiate a sale of land in case of this character, a certain regulation was promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921, which empowers the Minister, on application of duly authorized by the settler and on the request of the Board, to vest the settler's right, title and interest in the land held by him in the Board, thereby relieving the Board from the settler's indebtedness to it. Under the provisions of these regulations, this Board hereby requests that the right, title and interest of His Majesty in the N. ½ of 23-14-3 W. 4th M. be vested in the aforesaid settlement Board. The necessary order covering same is attached hereto for the Minister's signature.

Yours truly,

Chairman.

12th July, 1924.

Memorandum.

Mr. Greenway.

Pursuant to the arrangement whereby I am required to initial the Vesting Orders submitted by the Soldier Settlement Board before receiving the signature of the Minister, you might prepare a statement submitting the same for the consideration of this office in the usual way.

RE: Account of Robert Bruce
S½ 12-1-2-W.4th

The matter of an application for an adjustment of indebtedness outstending against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1918 seed grain amounting to $177.33 was advanced to Robert Bruce on the security of the above mentioned land. A payment of $7.00 was received in 1919 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$177.18	$328.44	$505.62

Patent was issued in the name of Robert Bruce for the S.E. ¼ 12-1-2-W.4th on the 13th of August, 1923, subject to the 1918 lien. The S.W. ¼ 12-1-2-W.4 was formerly the pre-emption entry of the debtor whose entry was cancelled on the 20th of May, 1926, and the land is still unalientated Crown land held in the right of the Province.

This half section of land is of very low assessed value and has never been revenue producing sufficiently to enable the repayment of the lien. In 1925 the homestead inspector described the land as of sandy clay with level gumbo flats. Area fit for cultivation about 95 acres, hay land nil. The debtor was not in residence but was living in the locality.

According to an Abstract of Title dated the 11th of January, 1956, the S.E. ¼ 12-1-2-W.4th is now registered in the name of the Minister of Municipal Affairs of the Province of Alberta, subject only to our lien, while the S.W. ¼ 12-1-2-W.4th is shown as unpatented Crown land held in the right of the Province. As such the land no longer offers any security of value for our lien.

Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the lien discharged.

Sir,-

S.E. Sec. 30 Tp. 60 Rge. 18 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Sir,-

... ¼ Sec. 22 Tp. 60 Rge. 17 West ... Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1908, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

It was not customary in such cases to [illegible] these in the records as a grant until the requirements had been complied with and the necessary [illegible] order in Council obtained.

As no further action was taken since 1911 in connection with the application it would seem that the site is not [illegible] required and if not the $10.00 patent fee will be refunded.

Re: Account of Louis Schoenhals
S.W. 4-33-11-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to us, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In [illegible] an amount to $48.00 was advanced to Louis Schoenhals on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 48.00	$ 103.80	$ 151.

The S.W. 4-33-11-W4 was formerly the pre-emption entry of the debtor whose entry was cancelled on the 3rd of July 1928 and the land is still unalienated Crown Land held in the right of the Province.

This quarter section is under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and is still vacant and no longer being operated. As such the land no longer offers any security of value for our advance.

Under the circumstances it is recommended that the indebtedness be cancelled.
